- ★ Top class products
 - ★ Spacious warehouse
 - ★ In-house innovative designing & packaging
 - ★ On time delivery as per requirement
 - ★ Satisfactory client testimonials
 - ★ International quality standards
 - ★ Efficient & reliable delivery partners
-

About Us.....

We introduce ourselves as manufacturers, suppliers & exporters of Hotel Guest Amenities. We gained lots of experience in the hotel business, Therefore I share some point of view as a hotel manager & cost controller.

We are pleased to indicate that due to success of our design, complete production line, as well as the finishing quality and reliable deliveries, we have been assigned as the best Guest Amenity Supplier Company by our clients who support us with their continuous order and long lasting relationship.

The company's reputation and customer base has been built upon the below guiding principles :

- ~ Consultancy,
- ~ In house product designing,
- ~ Quality - Dependability - Flexibility,
- ~ Cost effective solution in annual budgets.

Almost all of the guest amenities lines are produced by our company. Therefore, we are able to produce all the defined item with requested quantities, regardless of the size of your requirement.

Our Product & Services

The detailed product range and packaging required by our sector is sustained by special preparational work, effective co-ordination and careful quality control processes.

The Success of which is due to all our production units being intergrated under one roof with the preproduction preparatory departments. The relative processes are managed by a Quality Management System focused on continual improvement.

Design

Exclusive design development creating an overall picture reflecting your corporate identity and personalized colour and logos and compassing the rooms and bathroom colours.

Other Commercial Products

Amenities packages prepared according to your corporate identity, encompassing all the necessary items, are supplied with in our Services. Availabilty of all product from one source ensuring your company time and cost efficiency.

Offset Printing & Other Printing Techniques

Techniques available in our facilities for the production of your approved designs ;

- ~ 4 colour offset printing,
- ~ Hot gliding and wafering printing,
- ~ Cut and paste boxes,
- ~ Tampon printing,
- ~ Screen printing.

Packaging & Deliveries

All products are packed and delivered in standard quantities in cartons prepared carefully to prevent possible damage during transportation or storage.

Cartons specification meet the needs of delivery, quality and quantity control, stocktaking and ease of manipulation in floor offices, enabling smooth operations.

From design to production.... with a difference....
